A TOUCH of CLASS

This year we wish to bring out the 'Touch of Class' that the staff and students here at Lincoln possess. In all we do, athletic and academic activities alike, we Panthers do it with a certain 'Touch of Class' you won't find just anywhere. There is a special feeling of 'Panther Pride' that runs deep through the halls of our school, and we think that has a 'Touch of Class.'

1993-94 Dedication goes to Gerald Inman

*T*he 1993-94 edition of the B & W Annual is dedicated to Mr. Gerald (Jerry) Inman. Mr. Inman currently teaches high school science. His classes include: chemistry, advanced chemistry, physics, and general math.

Mr. Inman is originally from Marne, Iowa and went to school in Shelby. He attended college at UNI where he met his wife, Connie. They have been married for over 25 years and have two married children, Joe and Amy. You will often hear Mr. Inman speaking proudly of his grandson, Alex, while showing the latest snapshots of him.

Mr. Inman is active in school events beyond the classroom. He has kept stats for the basketball teams and has been a part of the chain gang on the football field sidelines for numerous years. He is well known for his wacky ties, personalized coffee mug, and sense of humor. Outside of school he is a volunteer EMT (Emergency Medical Technician) and teaches high school CCD for his home church, St. Mary's.

We will be greatly indebted to him for his kindness, friendship, and knowledge he has always shared with us. Thank you, Mr. Inman, for your many contributions to Lincoln High School.

Student Council

HAS ACTIVE YEAR!

The High School Student Council of this year was involved in many activities. Once again, they helped sponsor all the holiday festivities including the Halloween costume contest, Christmas game day and the King and Queen of Hearts. With the help of Mr. Linder, the advisor, and the student body they were able to pull through a charitable contribution to the Battered Womens Shelter. They also give the Pepsi-Cola awards to the students who are deserving. The continuous dedication and encouragement from the Student Council adds 'A Touch of Class' to our school.

This years Junior High Student Council is a unique and productive group of students. They sponsored a dance in October and invited the Clarence-Lowden over. With the success of this dance, they were invited to attend a dance in November at Clarence-Lowden. During Homecoming, they entered a float in the parade to show their school support and spirit. We salute the Jr. High Student Council in their efforts of bringing them closer together with the Jr. High of Clarence-Lowden and for making this year a successful one.

ELEMENTARY AIDES

Mike Glover helps students by showing them how fun gym class can be.

Below: Top row (L to R): Carrie Musselman, Amy Zidlicky, Jeff Avon, Mike Glover, and Jennifer Jewell. Bottom row: Julie Otten, and Kristen Petersen.

What made you want to become an Elementary Aide?

"It's an easy 'A'. No really, I love being with the kids. They're really fun!"

-Jennifer Jewell

Elementary Aides are students from Lincoln who want to go to the elementary school to assist classroom teachers with their students. They spend two periods of the day at the elementary school providing assistance to various teachers. They are able to participate with storytelling, board displays, spelling, and correcting papers. Many elementary aides are able to enjoy the time and are able to broaden their education. Most of the students who have become elementary aides find the job rewarding and have a lot of fun with it. The elementary aides bring a "Touch of Class" to the Elementary.

The kids in the class Jennifer Jewell helps out just love having her around!

*T*he 1993-1994 staff has done an excellent job. There has been many accomplishments within our staff this year. One of these special accomplishments came from Mr. Goodman. In a recent computer designed quiz by Dr. Eric Hart, Mr. Goodman was one of three teachers from Iowa to answer a question about math. The question was answered in under five minutes! He received a blue ribbon for his hard work and talent. Congratulations! Another fine job done within the staff was headed by Mr. Linder and Mrs. Thompson. Together with the Student Council and Peer Counselor members, they organized and carried out a special fund raising drive for the Battered Women's Shelter. Most Lincoln students took part in this, but without Mr. Linder and Mrs. Thompson this could not have been possible. Thanks for your hard work! Lincoln Community School wouldn't be as great as it is without the hard work and contributions of our staff. They add a "Touch of Class" to Lincoln!

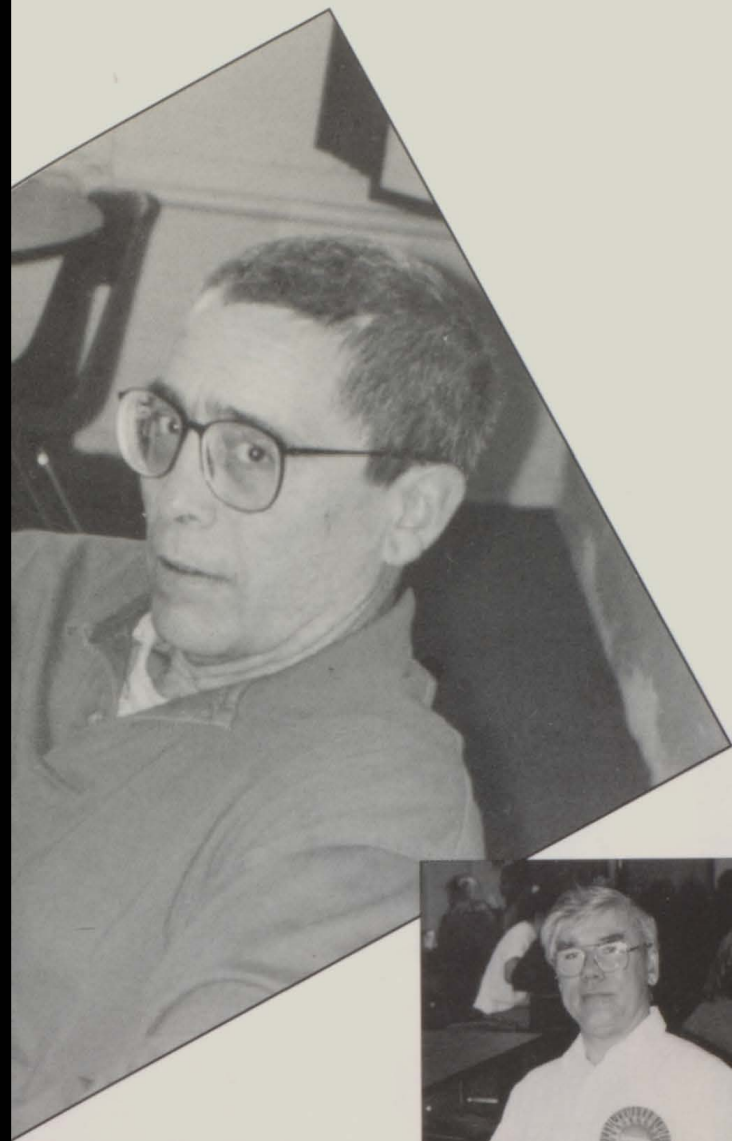

Mr. Grantz suddenly looks up as we catch him "in the act" of doing something wrong!

Hard at work on Drug Prevention Day, Mrs. Moore thinks these red ribbons are very stylish!

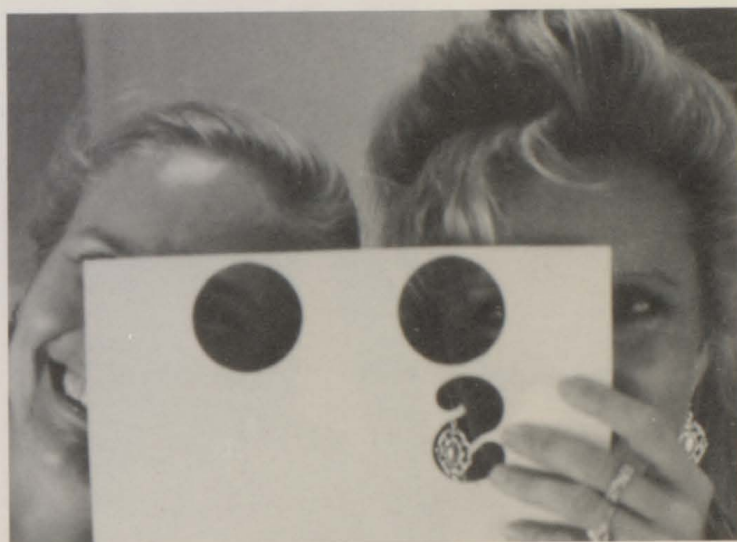

"I'm too sexy for this hair!"

Mr. Goodman received a blue ribbon after solving a complicated math problem asked by Dr. Eric Hart.

"Peek-a-Boo!!!"

"Don't take my picture today!"

*T*his past year was one filled with many changes, surprises, and not-to-miss highlights. The fall sports kicked the year off with a merger between Lincoln and Clarence-Lowden's football teams. The new and improved team now resides as conference champions. Most would agree that beating the Lisbon Lions 54-0 was a real sweet success. The Lady Panthers took 2nd place in the conference in volleyball and came within two games of participating in the state tournament.

The winter sports carried on the Panther pride starting with the boy's basketball team upsetting Clarence-Lowden in overtime on their home court. The girls basketball team quickly adjusted to the 5-on-5 style compared to last year's 6-on-6. The wrestling cheerleaders took first place at the Nevada tournament while the wrestlers sent one competitor to state.

The year wrapped up with our golfers on the greens and track runners carrying our Panther pride.

CLASS ACT

ON THE BASEBALL FIELD

The Lincoln baseball team had a successful season once again. They completed the season 9-9 overall and were third in the conference giving them a finishing record of 6-6.

This year's team was led by an outstanding and talented senior, Brian Corbett. Corbett won the team's leading hitter award with a batting average of .436.

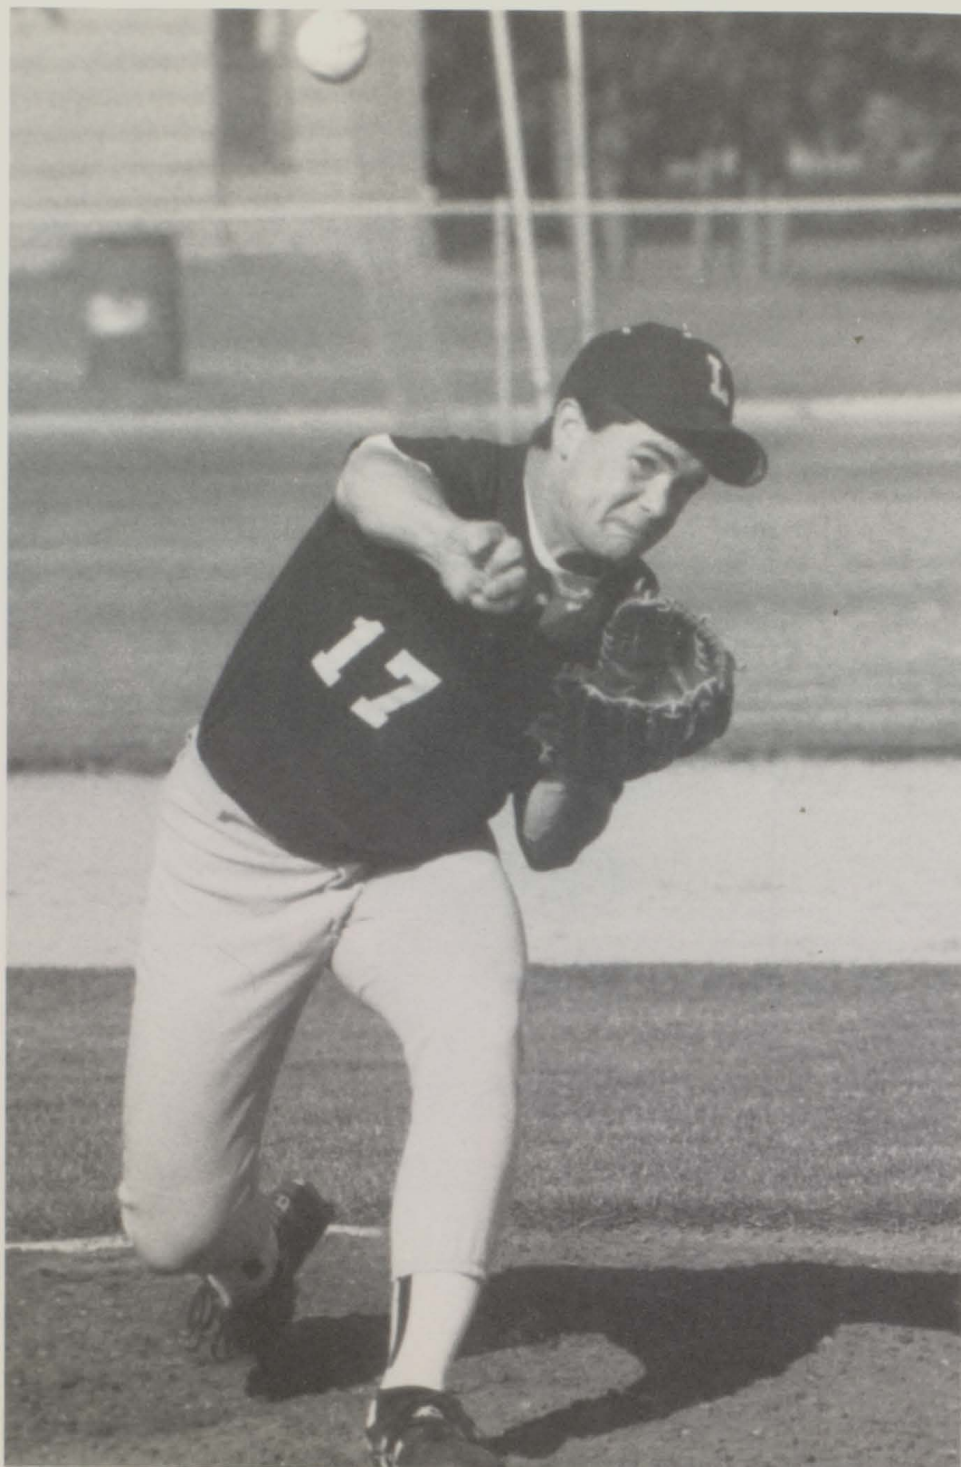

"Brian Corbett is picked for First Team All Conference."

In addition, Brian Corbett earned the titles of: first team All Conference, team MVP, and team Golden Glove.

Other All Conference awards went to: Matt Puffer (second team), Jason Driscoll (second team), Mike Glover (second team), and Ryan Steen (honorable mention).

This year's softball team was a young and talented team. They had a successful season within the conference. They finished with nine wins and five losses which placed them third in the Mid East Conference. The Lincoln Panthers finished 15-16 overall.

Delia Pini, the only returning senior, earned the honor of First Team All Conference and team MVP. Other All Conference honors included: Debi Jarzombek (Second Team), and Nicole Jackson (Honorable Mention). Jackson also received the team's Silver Bat Award. She led the team's batting average with .301. Melissa Fisher won the team's Golden Glove Award.

A short performance of... Softball

Melissa Fries concentrates at the plate.

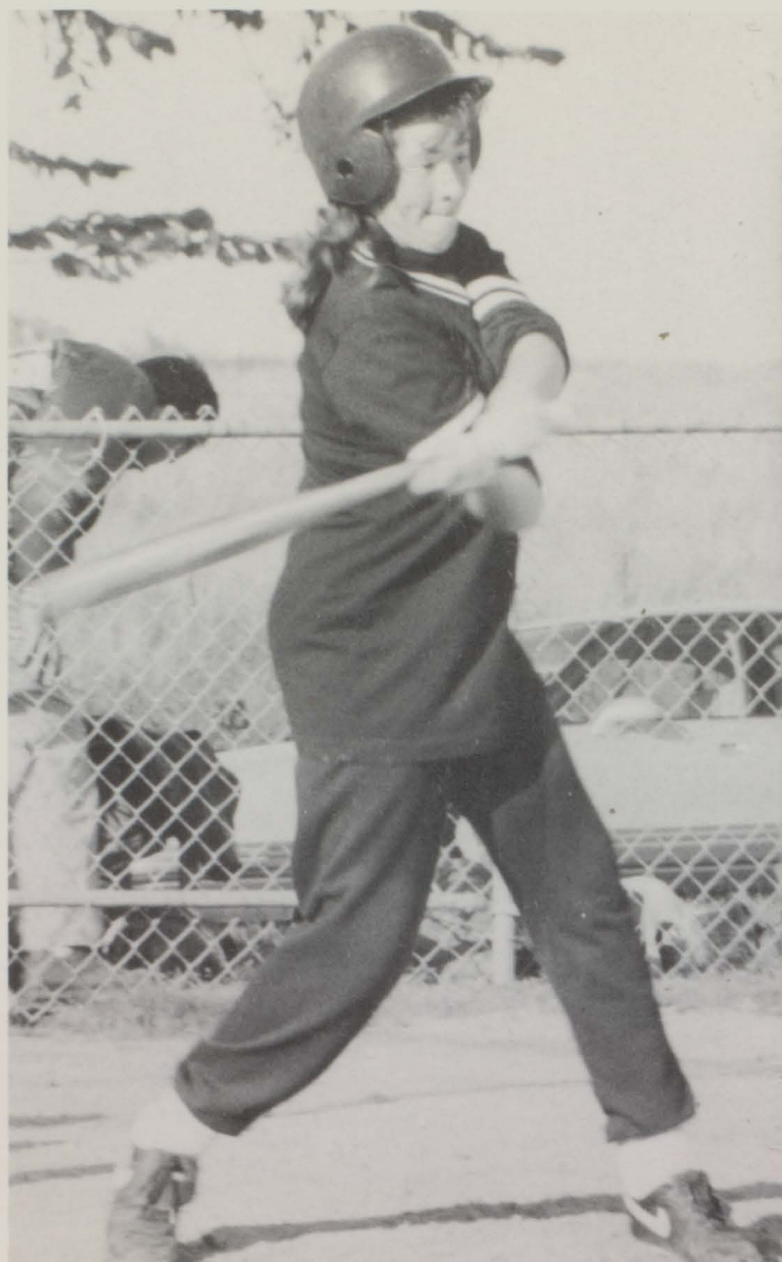

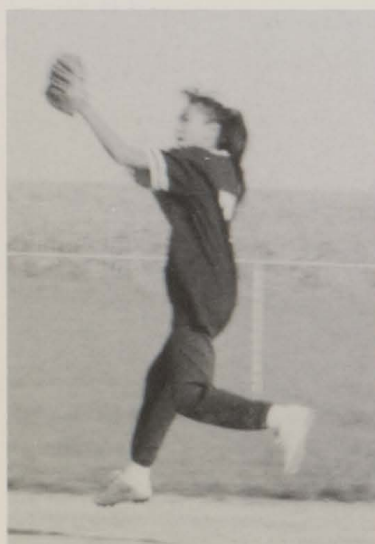

The Jr. High Softball Team had a successful season this year. Although the "A" team had a challenging year ending with a record of 1-3, the "B" team did exceptionally well finishing the season 4-0.

Coach Les Koering was really proud of his teams and wanted to say: "Although this year did not have as many games as previous years, I really enjoyed working with this group of girls."

"The girls were great because they tried hard and worked well together."

A Take Down With... Junior High FOOTBALL

The panthers complete another outstanding defense play.

The Jr. High football team had a successful season overall. The seventh grade had a 2-1 record. The eighth grade had a few close games that slipped away in the final moments, but they finished with a 2-3 season. Mr. Wendel said that he enjoyed the season and that he was impressed with how the seventh grade improved from the beginning of the season to the end.

Jr. High Wrestlers Taking 'em Down!

What was the most exciting part of J.H. wrestling?

"Good Competition."
-Dan Kern

Left: Another quick pin for Lincoln's Jr. High Wrestlers.

The Jr. High wrestling team ended this year's successful season with a record of 7 wins, 3 losses and no ties. The most memorable victory was 47-29 triumph over the Jr. High wrestling team of Tipton, West Branch, the highest loss the team had was the match against north East, which ended 25-42.

The most successful wrestlers were Jeremy Weiland (13-3), and Drew Bader (10-2), and Dusty Platner (10-3). The results make us hope for a good future in Lincoln's High School wrestling team.

Lincoln High School Wrestling

The Lincoln High School Wrestlers had a very trying season. The conference was difficult and the competition was tough, but Lincoln still placed very high in late season tournaments. They got third at the Nevada Tournament, second at the Tipton Invitational, and the highlight of the tournament season was winning the Northeast Tournament.

Some other season highlights were sending Joel Tuel to state and beating Lisbon 39-33. This win was the first victory for Lincoln over their chief rivalry in the conference.

High school girls BASKETBALL

This was a year of change. And perhaps the sport most affected was the high school girls basketball team. For the first time in Lincoln history, the girls battled out the season in five on five. They surprised a lot of people by coming out of the season 03-10 and eleventh in the conference. Melissa Fisher scored the most points for the team and had 192 rebounds, the

team's high. Nicole Jackson led in steals, while Angie Bader finished the season with twenty-three blocks, the most obtained this year. And finally to add on the list of accomplishments: Tammy Paup, the only senior, received Honorable Mention.

Transition basketball, that's what the J.H. girls had to learn to play. They went from six on six to five on five basketball. The eighth grade didn't have much trouble adjusting, but the seventh grade found it to be more challenging. The eighth grade finished 6-3 and the seventh grade finished 1-8. Coach Marilee Oldorf said, "I was really impressed with how the girls adapted to this new style of playing. Good job girls!"

High school boys BASKETBALL

This year's Basketball team was successful at home, but had trouble on the road. They were 6 and 13. Most of the games on the road were close, but they just couldn't finish it off. The highlight of the year was when they won against Clarence-Lowden in overtime.

Rafa Alvarez lead the team in scoring 19 points per game and the leader in rebounds with 192 rebounds. For his outstanding performance, he received the team's most valuable player award and 2nd Team All-Conference. Mike Glover received Honorable Mention.

Other awards were received by: Brent Meyer-- In-your-face, Mike Glover-- Mr. Hustle and Mr. Assist, Mike Knutsen also received Mr. Hustle, Jason Flockhart was honored as Most Improved Upperclassman and Keith Lehrman was Most Improved Underclassman. GIRLS

The 1994 track season flew by and so did the girls on the Lincoln-C/L track team. They finished 5 or better in the 9 meets that they participated in. Amy Freese went to state in the long jump, where she placed 8th. All the girls enjoyed track. According to Jana Hellmann: "It was awesome!" Coach 'Sammy' Spickermann described the team as twenty-five young, enthusiastic, dedicated and talented individuals. She also did a great job herself coaching and will be missed dearly next year as she has resigned to be a full-time mother. A last word from Sammy: "Track means a lot to me, being a participant was fun, becoming a coach was a goal and having a wonderful team like ours is a dream. Good luck next year."

Danly goes to State!

The 1994 Lincoln-Clarence Lowden track team had an effective and productive season. The team showed a lot of potential and placed fairly well in the meets. Brian Danly represented Lincoln at State in Des Moines in the long jump event. Hopefully he will return next year as a junior. The Lincoln-Clarence Lowden track team will definitely have more state qualifiers in the future, considering the fact that they are so young and talented.

"We had an inexperienced team this year. Only three girls had ever golfed in a meet prior to this year; however, we made definite improvement this season. "We worked a lot on individual skills and the short part of our game. I feel we had a successful season because we did improve throughout the season," comments Julie Hoffmeyer, the coach of the Lincoln/Clarence/Lowden golf team. Overall, the girls won five, lost five, and tied one. The team tried very hard and improved a lot this season. Medalists in golf were Buffi Sawyer and Meredith Oldorf. All in all, the meets went good for the team and the season came off as a good one. This year's golfers showed that with hard work and dedication, your "class" can shine through.

The sport of cheerleading-what a challenge! "With the artistic help of Christine Boots we performed two awesome dances this year. People don't realize the long hours of grueling work that goes into what you see performed at games. Thanks for all your hard work girls!" This was cheerleader sponsor Mrs. Edgerton's comment when asked about the season. The wrestling cheerleaders received a plaque for being the most enthusiastic and having the best sportsmanship in Nevada. The homecoming dance was called a success. The girls danced to "Daisy Dukes". Overall the cheerleaders raised the spirits of all the fans and proved once again that you can't have sports without cheerleaders.

Fall Musical	84
Band	86
Choir	89
Speech	92
Spring Play	94

This year's Fine Arts division had a lot of talent-what it takes to be a successful performer. The year started out with a fantastic musical, "The Butler Did It...Singing!" written by Tim Kelly, and directed by Mr. Ken Hayes.

The Speech participants did exceptionally well this year. Eight groups that attended the Large Group Speech Contest went to the district competition and from there 3 of them went on to perform at the State Contest. Ten of the twelve students that made it to districts in the Individual Speech Contest went on to the State Contest.

At the Big-East Conference Speech Festival, the Lincoln improv group of Heather Pritchard, Robin Sandberg and August Shaull received first place, as did Robin Sandberg for her improv.

Chorus welcomed a new director this year, Mrs. Chris Edgerton. Her chorus consisted of 27 members, with only two of them being guys. She sent 13 people to the state contest.

Band was also under the direction of someone new, Mr. John DeSotel. This year the band went to the Chicago area in the spring and performed at a band festival there.

The art classes spiced up the halls a bit this past year by adding four new murals throughout the school. A few of these muralists include Wes Broulik, Sara Dauber, Jana Hellman, Michael Meese, Brian Paup, and Vanessa Taylor.

The Fine Arts year was wrapped up with the performance of Lincoln's first children's play, "Sleeping Beauty" under the direction of Mr. Ken Hayes. They had five wonderful performances, with four of them being especially for elementary children.

Ben Brimeyer, Jenny Pritchard, and Eric Glenn examine the poison "dot".

There is nothing like starting out the 1993-94 school year with an outstanding play. "The Butler Did It, Singing!", by Tim Kelly, was performed on November 5th and 6th at the High School. "Through hard work and dedication, "The Butler Did It, Singing!" is a fine example of Lincoln talent," comments Director Ken Hayes. The story took place at Ravenswood Manor where Miss Maple (Brandy Feuss) held a weekend extravaganza for mystery writers. But the joyous weekend was abruptly disrupted with the mysterious death of Rick Carlyle (Mike Knutsen). The plot thickened even more when Miss Maple was found slumped over in a chair. Throughout the rest of the play, it was up to the six living guests to decide who done it!

Chelsea Brown (Charity) shows her "stuff" while Tim Freeman (Father White) resists "temptation".

Rachelle Mullan (Haversham) shows enthusiasm for the fall musical.

As always, the year began with marching band. They performed 3 times at the football field and marched in the Homecoming Parade in Stanwood.

This year has been smeared with accomplishments. Ten students participated in the Big East Instrumental in Lisbon. They were: Robin Sandberg, Sara Dauber, Chelsea Brown, Amy Oberbreckling, Jared Knapp, Tim Freeman, Jennifer Pritchard, Ben Brimeyer, Stacey Goodman, and Wes Broulik. Jenny Husmann and Jessi Weaver were honored to go to Honor Band in Central City.

Every four years the band students take a trip-and this year they chartered a bus to Valparaiso University Chapel in Indiana and played 4 songs. Then they hopped on the bus to spend the rest of the weekend in Chicago. They went to a play called "Sheer Madness" on Friday and on Saturday afternoon treated themselves to a baseball game at Wrigley Field. The Cubs played and won against the Giants, 10-8.

The J.H. Band welcomed a new director this year John DeSotel (who also happens to direct the H.S.) They traveled to the elementary on March 2nd where they entertained the student body and their teachers with songs like "Anasazi", "Run-Around Sue", and "Achy Breaky Heart". They also preformed at the Progressive Concert on May 3rd at the high school. There they played "Manolith Overture", "The Voyager March", and "Run-Around Sue".

"There was a lot of growth this year. We went from 14 to 32 students. They are a lot of fun," the Jr. High Choir Director Chris Edgerton commented, when asked how the choir developed this year.

Elementary kids got the pleasure of having the choir perform for them. Sandra Lester, Sami Wanek, Allison Litcher, and Tina Tonne sang the "Rose", accompanied by Stacey Jackson. Ken Hartman and Ryan Crock line danced to the top hit "John Deere Green", and the rest of the choir sang a medley of the songs on the Walt Disney hit Aladdin. The same girls who sang the "Rose", along with Jenny Weber and Michelle Walshire, sang "Lean on Me". It was a great year and everyone had a lot of fun.

"The class is really fun and we sing lots of cool songs."

-Brandi Bulger

Under the assistance of the new choir director, Mrs. Chris Edgerton, the Lincoln High School Choir found a whole new way of looking at the importance of hard work and patience while having fun and enjoying being together. High or low, pop or rock- no matter the kind of music, the group of 23 girls and 2 boys had great performances at a number of concerts. Especially the trio Jenny Pritchard, Chelsea Brown, and Brandy Feuss profected again and again. They also recorded some of their favorite songs on a tape called "The Trio."

Well, another year of speech has come and gone. It left, however, with a lot of awards and memories under it's arm. Twenty-six people participated in speech this year, both in Individual and Large Group.

Out of this twenty-six, seventeen went on to state. Districts for Individual was at Anamosa while Districts for Large Group speech was held at Monticello. State for Individual was at Ottumwa and for Large Group speech, Grinnell. Both sections spent the night and had a great time.

Of those who went to State, nine got I's. In individual they were: Jennie Davidson (twice), Angela Flockhart, Stacey Goodman (twice), Jenny Husmann, Debi Jarzombek, and Robin Sandberg (twice). For Large Group speech they were: Angela Flockhart, Rana Torvik, Michelle Gravert, and Jenny Husmann for "Family Vacation", a mime; and Improvisation with Heather Pritchard, August Shaull, and Robin Sandberg. (Melinda Andrews was unable to preform with them at state.)

At the Big East competition at Midland, the Improv group of August Shaull, Robin Sandberg, and Heather Pritchard got first place. Robin Sandberg also got first in Individual Improv.

Besides all these accomplishments, Large Group qualified for an outstanding academic award and Individual received a distinguished academic award.

Mr. Hayes, the speech coach, decided to add a little umph to speech this year by asking Wes Broulik, a senior, to direct the One Act Play, "Thanks Awefully!". With only one male (Tony Holets) and fifteen females, it was quite a challenge. They did well and received a II at Districts. One thing is for certain, everyone did well, and everyone had a good time doing it.

Everyone has heard the story of Sleeping Beauty, but to get to watch to play as performed by the Drama Department is a different story. Children of all ages were entertained as Chester the Jester (Wes Broulik) told the wonderful story of how Princess Elaine (Becky Tenley) fell into a deep sleep, only to awakened by her one true love, Prince Dauntless (Tim Freeman).

The play was performed on April 22, 23, and 24 at the elementary center. The audience supplied many of the sound effects and cheered Prince Dauntless on his quest to save Sleeping Beauty. Even though this was a first for the Department, they pulled it off with flying colors.

*W*hoop, there went another Panther school year filled with many exciting and spontaneous events. This year the football fans were treated with an overwhelming victory, the first in years. The 1993 Homecoming game proved to be an outstanding achievement for the Lincoln-Clarence Lowden High Schools. They beat the Olin Lions 27-6.

Graced with the presence of six students from foreign lands, LHS took on an international flair. Some of them are already planning on coming back for college. Halloween was celebrated with the dressing up in many various forms. Of course, the Elementary school had their marvelous annual costume parade.

"Hold on to the Night" was this year's theme of the Junior-Senior Prom that was held in Cedar Rapids at the Holidome. It was certainly a night to remember, from glamorous outfits to senior farewells. The 1994 graduates are heading their way to a promising future.

Halloween

Again-it's here

Come on, find some treats to share
With a princess, ninja, a little bear
Halloween is everywhere!

See the children, they are walking
And the adults, they're just talking
Witches, monsters, skeletons, and a
little pumpkin
Will they play a trick on you?

Trick or treat, get on your feet
Cold but still we walk until
Our nose is red
and our feet are blue
'Cause we want our bag of
candy from you!

An Unforgettable Homecoming

Homecoming '93 was more than just a game, it brought Lincoln and Clarence-Lowden together. The Lincoln-Clarence-Lowden football team defeated the Olin Lions 27-06. After an exciting game, the '93 Homecoming Dance (Rock-n-Roll all Night) was held in the Clarence gym, where the Panthers had a chance to mix with the Rebels.

The Lincoln Panthers showed their spirt throughout the week begining with Becky Johnston winning Best Pajamas. Other winners included: (Western Day) Annette Seitz, Megan Avon and Eric Glenn; (Lick'em Day) Jenny Husmann; (Twin Day) Becky O'Dell and Kyla Brosh; and (Black and White Day) Missy Steen.

This year's Homecoming Court was a fine group of students. Jerad Boots and Sara Dauber were elected Homecoming King and Queen. Their court included: Brandi Feuss and Jeff Avon, Amy Zidlicky and Mike Glover, Jennifer Jewell and Brad Beck, and Meredith Oldorf and Mike Sandberg.

What was your most Memorable moment for Homecoming?

"Watching both Lincoln and Clarence beat the Lions."

-Eric Glenn

The Homecoming Pep rally proved to be successful. The various activities that day included the Pepsi Chug (Dan Kern), Dizzy Run (Jeff Avon, Jason Driscoll, Mike Sandberg, and Meredith Oldorf), Ice Cream Contest (Tim Freeman), Bubblegum Contest (Chelsea Brown), the Cracker Contest (Brad Beck), and the Egg Toss (Nick Beck and Robbie Hartig). The Lincoln Cheerleaders inspired the Pep Rally by lifting the school's spirit and "Kick'n Some Daisy's!" This year's Homecoming turned out to be sensational, due to the unity between Lincoln and Clarence-Lowden.

Top row: Tera Yule, Debbie Siebels, John Bemer, Jerad Boots, Karena Curley, Gretchen Brown, and T.R. Hoeffle.

This year's peer counselors made it through the year holding on to all the memories and preparing themselves for the future. They started out the year with their all day Peer training orientation, later on during the year they toured the A.S.A.C. (Area Substance Abuse Council), and went to a stress workshop at St. Luke's Hospital. Some of the other workshops attended during the year were Young Mom & Dad's Program and Date Rape. In December, they donated and collected items for the Y.W.C.A. (Young Woman's Christian Association) for the woman's domestic violence program. They attended a motivation speech with the West Branch Peer Counseling Program.

The 1994-95 Jr. High Problem Solvers set high expectations for Lincoln students. In the beginning of the year, they worked on two practice problems involving Robotics and Antarctica. They placed third out of thirty teams in the Regional Bowl and their problem was about the extinction of animals. On April 29-30 the Jr. High Problem Solvers represented us in Ames, Iowa at the State

Bowl to discuss the problems revolving around our space laws.

The Big Brother/Sister Program opened the eyes of the seventh grade class by helping them throughout the year. The Seventh Grade Orientation was a big success in introducing the seventh graders to high school and getting acquainted with their big brother/big sister. Students were able to set up a "goal making" program to assist students to set higher goals for grades, studies, and social activities. Valentine's Day brought gift exchanging between the seventh graders and their big brother/big sister.

A mazing, exciting, outrageous, that was this years ski trip. It was a beautiful day, even though frigid arctic air had been flowing through Eastern Iowa earlier during the week. The temperature was in the mid teens and the ski conditions were great. No serious injuries occurred, even though so and so experienced a minor catastrophe. Over all the Lincoln students all agreed that it was a successful ski trip.

Rafael Alvarez (Spain), Malin Andersson (Sweden), Bert Greving (Germany), Carolin Koch (Germany), Jana Hellmann (Germany), and Ragnhild Torvik (Norway) all came to learn more about America and the American way of life, but also to share a little bit of their own cultures and points of view.

Their American families, as well as the students and teachers, helped a lot to make everyone of them feel at home.

Besides having fun and making friends, they also spent considerable time with each other. This way they learned about other European cultures, also.

During their stay, they experienced a few new things like Halloween, Thanksgiving, Homecoming, and Prom.

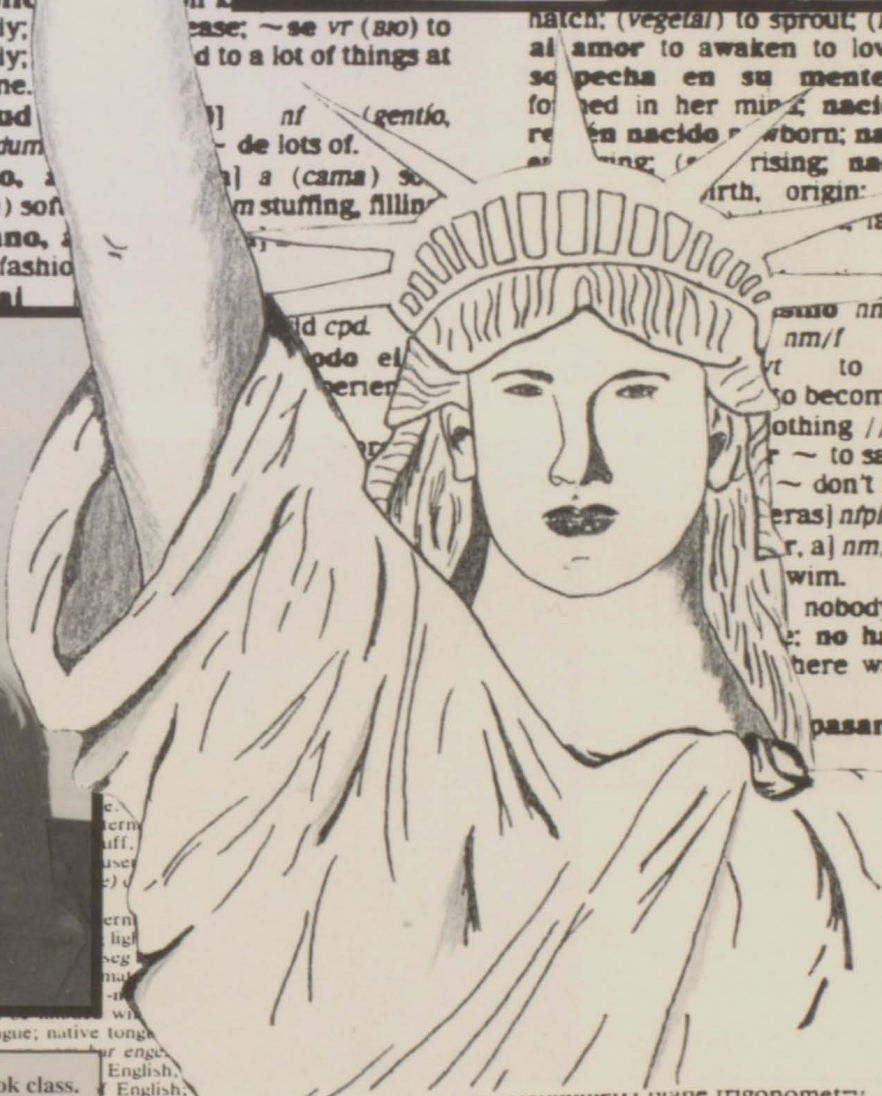

As well as getting to know Iowa, and its people, some of them traveled to Chicago and Florida. "These were fun times," comments Jana Hellmann, "but more importantly it has been a great year."

Michele Farrington recites a few of the steps for the induction into the National Honor Society.

Sunday May 8, 1994 the National Honor Society held their Induction Ceremony. All of the members of the National Honor Society have the qualities of Character, Service, Leadership, and Scholarship. Each of them had a grade point average of 3.0 or above and were active in many other activities.

The graduate members of the National Honor Society received their cords to show their accomplishments of being in National Honor Society for two or three consecutive years. There were twenty probationary members in the National Honor Society this year. Lincoln should be proud of these fine students, expressing their many talents among the students of Lincoln High School.

Juniors (L-R): Tony Holets, Debi Jarzombek, Kyla Brosh, and Jennie Davidson are the regular members of the National Honor Society.

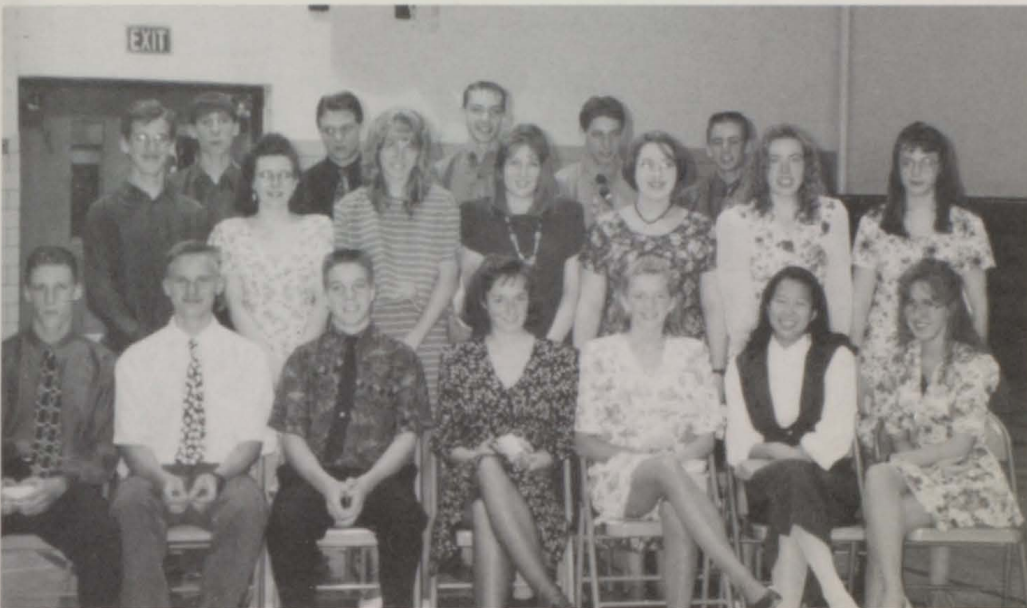

Valerie May receiving her probationary membership with the National Honor Society.

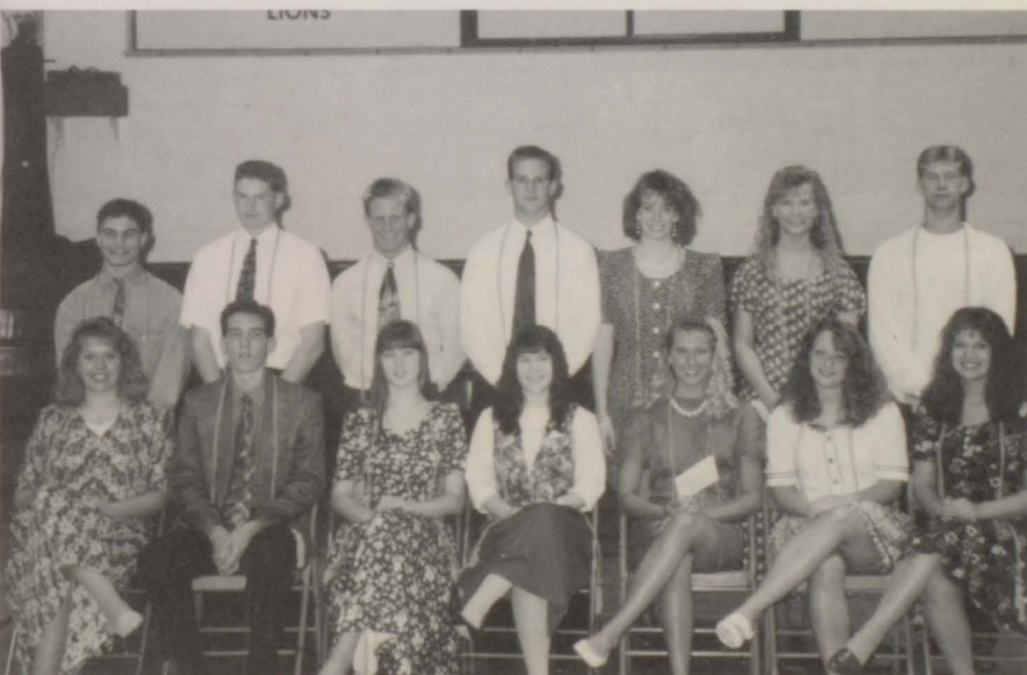

"NHS makes me feel that I'm more prepared for the future."

-Michael Kern

Sophomores-Top row (L-R): Jeremy Brimeyer, Mark Dohmen, Keith Lehrman, Brian Danly, Mark Farrington. Middle row: Justin Cummings, Joy Archer, Mandi Weber, Heather Pritchard, Carrie Siebels, Valerie May, Amy Oberbreckling. Bottom row: Michael Kern, David Hellstern, Ben Litcher, Robin Jackson, Nicole Jackson, Robin Sandberg, and Debbie Siebels are the probationary members of NHS.

Seniors (L-R): Tim Freeman, Mike Knutsen, Jeff Avon, Mike Glover, Jenny Pritchard, Amy Zidlicky, Nate Nelson. Bottom row: Carrie Musselman, Ben Brimeyer, Michele Farrington, Stacey Goodman, Jennifer Jewel, Julie Otten, and Brandi Feuss are the graduate members of the National Honor Society

Annual Staff

The 93-94 Annual Staff is set apart from the rest with their great ability, creativity, and development of this year's theme, *A Touch of Class*. They discovered that making a yearbook is both very challenging and rewarding. The annual staff had many new members, including several exchange students. Together they managed to meet their deadlines and complete a memorable yearbook.

This year's Health Day was held at both high school and elementary centers. It was the 4th consecutive year for high school health day. Students took time out of their regular routine and chose to attend a number of sessions. Some of the sessions were: Campus Violence by Mary Jo Lessmeier, Shari Hoefle and her dog Shadow, and of more on the fun side, Jo Prusha led us in Games for Just Plain Fun.

Also this year, for the first time, the elementary had a Health Day. They were helped by the students involved in 30 days of fitness from the high school. There were coloring contests for the younger student. They colored posters on safety and chemical free living, had a seminar on nutrition with the second grade, and talked about the food content of their favorite foods.

The fifth and sixth graders were able to take a tour through the Mechanicsville Ambulance at one of the sessions. They did a demonstration of safety and prepared and accident victim.

Bottom row (L-R): Stefanie Tonne, Amy Zidlicky, Kassey Mulliken, Kyla Brosh. Middle row: Tera Yule, Jessi Weaver, Becky O'Dell, Debi Jarzombek, Debbie Siebels, Wes Wagner. Top row: Gretchen Brown, Jennie Davidson, Annette Seitz, Chelsea Brown, Frank Tarr, Robbie Coppess, Brent Meyer, Nathan Oldorf.

Hold on to the night

Mike Knutsen comments, "I love it when Kyla shares her ice tea with me."

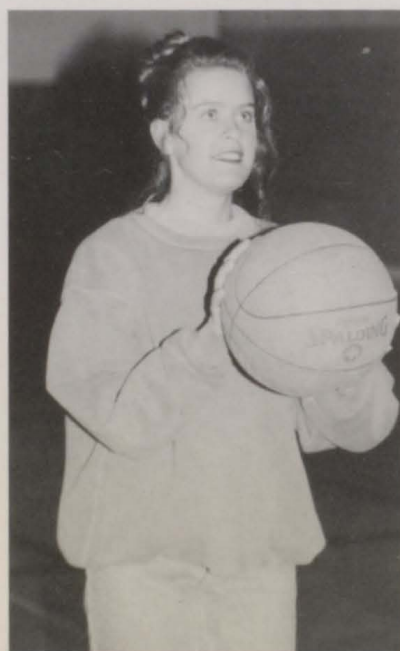

"Even though it was snowy, the Junior class did a great job decorating and we all had an awesome time."

On Sunday, May 29, 1994 at 2:00pm the Lincoln Community School Class of 1994 commencement was held. Stacey Goodman, with a 4.0 g.p.a., lead the class as the Valedictorian. Ben Brimeyer, with a 3.97 g.p.a., was the Salutatorian. There were forty-five students that graduated in the class of 1994

Rev. James T. Wilson, the director of Wesley Foundation Drake University, gave this year's Commencement Address: "Use Your Imagination." This year's class song was "The River" by Garth Brooks. The class of 1994 has the motto of: "What we hold of yesterday is only a memory but tomorrow is an accomplishment that is yet to be made." This year's seniors have in fact left many memories floating around the halls. They will always be remembered and will always have a place in our school. Congratulations to the Class of 1994!

SENIOR STATEMENTS

CAROLYN KOCH: A country full of burgers, chocolate chip cookies, colorful clothes, purms, country music, western boots...but I had a great time.

JASON DRISCOLL: Summer School Rules!

BRANDY FEUSS: Grade cards, tardies, math test, beefrites, and progress reports, it all adds up to good times, and good friends, and even the worst times at Lincoln are going to be hard to say goodbye to.

AMY ZIDLICKY: If you try hard enough you can achieve anything. Don't give up! Keep Smiling!!!

JENNIFER JEWELL: We all come into this world naked, lets have our DAY!

JENNIFER PRITCHARD: Keep your focus on things that are really important and learn to laugh at yourself! "Has anyone seen my pencil case?"

JESSE COMER: Of all the things you wear, your expression is the most important!!

JERAD BOOTS: Intimidation is the key.

NATE NELSON: Life is a highway...go play on it.

MIKE KNUTSEN: "With all Wes' questions, Ben's sarcasm, Tim's philosophies, Stacey's realism, Jenny's losses, and my literalism, only one word comes to mind....MEMORIES.

DAN BOYD, JEFF AVON, MIKE GLOVER, ERIC SELIGMAN: Last quote for the men of 94, "Why did the woman cross the road? Who cares!! What is she doing out of the kitchen anyway?????"

CHELSEA BROWN: May you always have clean underwear, wear your deodorant properly, and drink milk because it does your body good. May you never forget the CLASS OF 94! We won't forget you.

KRISTEN PETERSEN: I came, I saw, I left. That's about it.

SANNA: We're one, but we are not the same

SARA DAUBER: Destiny is not a matter of chance, it is your choice!

BRAD BECK: Uhhhhhhh...huh, huh.....What???

RANA TORVIK: I saw the sign here at Lincoln and realized that a horse is a horse and a turkey is not a pepperoni pizza.

TAMMY PAUP: Never give up, go for all you dream of, and of course...have fun.

The next school year we will be missing our two school secretaries Gladys Rife, at the elementary center, and Marge Doser, at the high school.

Gladys Rife has been doing various jobs, including teacher's aide and school board secretary for over 40 years. In that time she has had 17 different principal's enjoying her service.

Gladys was married to James Rife, who worked as a custodian at Lincoln, for 44 years. They had three grown children. She was born in the state of Idaho, but moved to Mechanicsville around the age of two. She now resides in Mechanicsville.

Marge Doser has been the high school secretary for over 20 years. Before her job as a secretary she worked as a studyhall aide.

Marge is married to Dave Doser and they currently reside in Lowden. They are parents of six grown children. Marge performs multiple duties in "her" office. Including typing the morning announcements, running off copies, keeping schedules of the students, and organizing most of the activities that go on throughout the school.

We would like to thank both Gladys Rife and Marge Doser for all their hard work and support for the students of Lincoln throughout the years.

As editors of the 1993-94 yearbook we would like to show our appreciation to all those who helped in making this book. First, and most importantly, to our STAFF: You all did a MARVELOUS job! Without all your time and effort, this book would not have been possible!

A big THANKS to each of you for
adding your own individual
TOUCH of CLASS

RANA: Thanks for
adding your touch of ton
of artwork!

JASON: Go! Fight!
Win! You scored high
with your sports pages!

BERT: Thanks for
adding your touch of
manliness!

MALIN: Your Swedish
smile added that extra
special touch!

BECKY: Thanks for
keeping up with the busy
lives of us Panthers!

ALISA: Thanks for
helping us GOPHER that
extra touch of class!

JANA: Thanks for
adding your touch of
humor!

ANGELA: All your time
at that computer was
appreciated!

HEATHER: You did a
super FINE job!

JUSTIN: Thanks for
AD-ing your touch of
business expertise!

Thanks also to the following:
